FIRST ADVENTURE CHILD DEVELOPMENT CENTRE

July 2019

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring. Children begin caring for themselves, caring for each other, and caring for the community at large.

We invite all of our families and our community to visit our Free Lending Library in front of our Bridge St. Campus. This is an opportunity to pick up free reading materials for you and your family and also to donate your reading materials for others to enjoy.

We need your help as we are committed to creating an inclusive environment that welcomes and supports all children. Starting in July we have a new family joining us with a child who is fighting cancer and actively receiving chemo. Because we want every child to have the opportunity to meet their potential we are asking all of our families to be vigilant about keeping children home when they are not well. Please help us to create an opportunity for this child to enjoy new friendships and experiences here at First Adventure!

Summer School-Age Full Day Program

We currently have no full time space in our summer school-age program at our Georges Vanier Campus. If you are looking for occasional or part time space over the summer please contact Lori at 613-849-6063 or 613-969-8316.

September 2019

We are currently forecasting space in all of our preschool programs at both our Bridge St. and Georges Vanier campuses for September as many of our preschool children move on to "big school" so if you or someone you know is looking for space in September please call Debbie at 613-962-3474 or Lori at 613-848-6063.

First Adventure has launched a new website at www.firstadventure.ca

New Outdoor Play Space at First Adventure's

GEORGES VANIER CAMPUS

We have submitted our plans and have received approval from the Ministry of Education and the Algonquin & Lakeshore Catholic District School Board for a new outdoor play space & playground at our Georges Vanier Campus. We will share this space with the kindergarten and grade one children in the school. We are very excited and looking forward to getting all of the work completed this summer. We will keep you posted on the progress with pictures posted to our Facebook page!

New Playground Coming Soon!

All First Adventure programs will be closed on Monday, August 5 to recognize the Civic Holiday.

We want to wish you and your family a fun filled long weekend!

With summer comes a lot more opportunity for children and programs to explore our community. We also take advantage of a lot of fun water experiences outside with the children and being outdoors in the summer usually includes getting wet!! Please remember to complete the sunscreen permission form and provide a sun hat, extra clothing, and proper foot wear for your child (no flip flops). We provide water bottles for all of the children in our infant, toddler, and preschool programs and we ask parents to provide water bottles for their school aged children.
