FIRST ADVENTURE CHILD DEVELOPMENT CENTRE

October 2020

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring, children begin caring for themselves, caring for each other, and caring for the community at large.

COMPLIANCE

We are working closely with Hastings & Prince Edward Public Health, Hastings County Child Care Services, and the Ministry of Education to ensure your children and our staff are as safe as possible. We are implementing all of the required protocols from those three governing bodies and we appreciate the support, patience, and understanding from all of our families as these protocols are ever changing and we are doing our best to keep up to the most current requirements. We would like to thank all of our families for your understanding and compassion for the difficult position changing legislation puts us in and remind you of our Code of Conduct to treat each other with respect, kindness, and professionalism. We certainly understand and can appreciate the stress and challenges we are each facing. We are all in this together, as a team, so please help us make the best of this difficult situation.

Beginning in September all First Adventure staff began using the Seesaw app to communicate with families about their child's progress in our programs. Parents will be required to sign a permission form to communicate this way about their child. If you would like more information about this communication tool please call the centre and ask to speak to your child's teacher.

First Adventure is working towards electronic screening for children to streamline arrivals. Parents will be asked to electronically screen their child(ren) prior to drop off and the results will be automatically uploaded to a First Adventure account.

Please watch for emails regarding this new venture coming in October.

We ask that you continue to wear masks at drop off and pick up time for the safety of all.

 THINGS TO SHARE AND REMEMBER.COM

October 22 is Early Childhood Educator and Child Care Worker Appreciation Day. Please take a moment to let your child care provider know how much you appreciate everything they do for your child and your family on a daily basis.

Raising children takes a community and we are all so happy to be part of yours.

Our Lady of Fatima Campus

The Our Lady of Fatima campus is located at 300 Sidney St. Belleville and we are taking enrollment for before and after school care. This program is open to children in junior kindergarten up to and including children 13 years of age. For more information or to register contact Tanya at 613-848-8879
