FIRST ADVENTURE CHILD DEVELOPMENT CENTRE

June 2022

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring. Children begin caring for themselves, caring for each other, and caring for the community at large.

Friday, July 1 all First Adventure campuses will be closed to recognize the Canada Day long weekend. We would like to wish all of our families a safe and wonderful holiday weekend.

As we dress for the warmer weather we ask that families keep in mind that we are a family-oriented facility and dress accordingly.

COVID-19 School and Child Care Screening Tool

We are slowly moving forward through COVID but are not clear of it yet. Please continue to screen your child each day and abide by the current protocols as set forth in the Ministry of Education screening app.

We have been very please with the changes that have allowed us to let parents enter the building again and we are grateful that everyone is being respectful to others as we go through this ever-changing time.

As we move into the warmer weather please make sure that your child has all of the appropriate items they need to play outdoors in the warmer temperature for up to 2 hours per day. We ask that each child is provided with sunscreen (labelled with their name), a bucket hat that covers their neck and ears, and closed toed shoes.

Summer Camp

First Adventure is offering a licensed school age summer camp for children that have completed junior kindergarten up to age 13. The program will run from July 4-Aug 19th. If you are interested in the program please contact Lori at 613-848-6063
