FIRST ADVENTURE CHILD DEVELOPMENT CENTRE

May 2023

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring. Children begin caring for themselves, caring for each other, and caring for the community at large.

Georges Vanier Campus: 613-969-8316 or 613-848-6063

Victoria Day

First Adventure will be closed on Monday, May 22nd to recognize Victoria Day. We would like to wish everyone a very happy long weekend!

The First Adventure parking lots are very busy places during drop off and pick up so we would like to remind all of our families to hold their child's hand when both entering and leaving the building to ensure that everyone stays safe during these times of transition.

Camp Registration

First Adventure is currently in the process of planning the summer camps for the school aged children. Priority will go to the children currently enrolled in the before and after school program followed by siblings of children enrolled at First Adventure, then students that attended camp in previous years and then to any other children on the waiting list. If you would like your child added to the waiting list for summer camp please contact Lori at lbeaudry@firstadventure.ca or 613-848-6063. Children must have completed junior kindergarten to qualify for the program.

The First Adventure Annual General Meeting will take place on Monday, May 8th at 6 p.m. in the gymnasium at Georges Vanier Catholic School at 100 Tracey Street in Belleville. If you are interested in attending please RSVP to Debbie at dmilne@firstadventure.ca or 613-962-3474.

AGM
Annual General Meeting

We understand that during busy times at drop off and pick up that it can be difficult to get a parking space in the Bridge Street parking lot. That being said, at no time can anyone park along the wooden fence in the front parking lot or next to the front stairs as those areas are the recognized fire route. If there isn't an open space we ask that you circle the block and wait for a space to come available. Parents are welcome to park in both the front (north) and side (west) parking lot while they drop off their child. We will be having the parking lot resurfaced and relined this spring to assist in making parking more manageable.
