FIRST ADVENTURE CHILD
DEVELOPMENT CENTRE

February 2024

February

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring. Children begin caring for themselves, caring for each other, and caring for the community at large.

Visit Our Website at: www.firstadventure.ca

Bridge Street Campus: 613-962-3474
Georges Vanier Campus: 613-969-8316 or 613-848-6063

Effective April 1, 2024 fees for the before and after school program and the full day school age program will increase to:

Before School \$13.50 per day

After School \$15.00 per day

Full Day \$40.00 per day

This increase does not affect the infant, toddler or preschool programs that are part of the Canada Wide Early Learning and Child Care Program.

PA Days are taking place on the following days during the 2023/24 school year:

Friday, April 8

Friday, May 31

Friday, June 28

Please contact Lori at 613-848-6063 if you are needing care for your school aged child. Full day programs are operating at Georges Vanier Catholic School on PA days.

Pink Shirt Day was put in place to raise awareness about the prevention of bullying and promoting kindness and inclusion. On Wednesday, February 28th we ask that you help your child recognize this important message by sending them to class in a pink shirt.

March Break is scheduled for March 11-15 and it will be quickly upon us. If you are needing care for your school aged child please contact Lori at 613-848-6063 to inquire about space at the Georges Vanier campus.

Winter has brought many types of illnesses back into our classrooms at First Adventure including COVID and the flu. Please test your child if they are not feeling well and keep them home until they are able to partake fully in programming. We will be abiding by the Ontario Screening Tool for Schools and Child Care for our staff and all staff that have tested positive for COVID will be required to stay home when their symptoms are affecting their ability to work and wearing a mask for 10 days when they return to work. Please see the attached link for the screening tool and use it as necessary.
