## FIRST ADVENTURE CHILD DEVELOPMENT CENTRE

March 2025

At First Adventure we believe that creating a culture of caring in children's earliest years builds a foundation for caring. Children begin caring for themselves, caring for each other, and caring for the community at large.

### March 10-17

The school aged program will be running a full day program for the March Break. If you are in need of care for your school aged child, please contact Lori Beaudry at 613-962-3474.

The nicer weather will soon be here which means the children will be outdoors at the end of day. We ask that parents leave messages for the educators on Seesaw regarding any changes to pickup after 4:00 p.m. as there will be no one in the office to answer the phone and relay messages.
